

A song. A melody of Asaph.

Psalms 83

~~1~~ ~~O God, do not be silent; Do not keep quiet or still, O Divine One.~~

2 For look! your enemies are in an uproar; Those who hate you act arrogantly.

3 With cunning they secretly plot against your people; They conspire against your treasured ones.

4 They say: 'Come, let us annihilate them as a nation, So that the name of Israel may be remembered no more.'

5 They devise a unified strategy; They have made an alliance against you—

6 The tents of Edom and the Ishmaelites, Moab and the Hagrites,

7 Gebal and Ammon and Amalek, Philistia together with the inhabitants of Tyre.

8 Assyria too has joined them; They give support to the sons of Lot. (Selah)

9 Do to them as you did to Midian, As you did to Sisera and Jabin at the stream of Kishon.

10 They were annihilated at En-dor; They became manure for the ground.

11 Make their nobles like Oreb and Zeeb And all their princes like Zebah and Zalmunna.

12 For they said: 'Let us take possession of the pastures of God for ourselves.'

13 O my God, make them like a whirling thistle, Like stubble blown about by the wind.

14 Like a fire that burns up the forest, Like a flame that scorches the mountains,

15 So may you pursue them with your tempest And terrify them with your windstorm.

16 Cover their faces with dishonor, So that they may search for your name, O Jehovah.

17 May they be put to shame and be terrified forever; May they be disgraced and perish;
